Key to

Scientific thinking has come to be the upper most important in today's World of Science. In a world dominated by the idea of getting to the moon and putting a satellite into space, geometry, physics, and algebra are a way of life.

Our mathematics department is made up of Mr. B. Gowin and Mr. R. Harrell. Miss F. Shyrock is in charge of all Junior High School courses.

PLACES EVERYONE, ACTION!--Mr. "Doc" Houston, instructor, Freda Shafer, Charles Millard, Jim Sooter, Butch Barnes, ENGLISH. LIT.

RIGHT HERE IT IS!--Mary Gillmore, Betty Stites, Larry Houser, Jack Beggs, Mr. Eddie Raunikar, instructor, ENGLISH 12.

In a world greatly confused by so many issues, it would be well for us to sit down and talk to each other. To discuss our problems and to speak to each other in a language we all understand must be our sincere goal.

LEARNING

As the re-educative process goes on, as relationships of trust and confidence are established, as problems are defined in a permissive, non-threatening atmosphere, as insights are gained and the reality of these insights tested in action, there will be a gradual shift toward more rational methods of investigating and solving problems.

Dr. George Sharp

Learning is one of the most important jobs of our public schools. To be able to assemble matter and gain insight into information which will lead toward more intelligent investigation and realization of basic human problems is important.

We have at Picher High School a rich environment for learning. Mr. H. Spoon, and Mr. L. Puryear lead us in our pursuit of knowledge.

Learn by Doing — Through

With dexterity, our Commercial students perform admirably. They are interested in their work and they spend much time in perfecting it.

To be able to gain efficiency in shorthand, having a working knowledge of bookkeeping, and to be able to type are the assets which our Commercial students possess.

Mrs. Cleo Harrell is in charge of this department.

Working with ones hands is important. When one learns by doing, this particular habit which is formed stays with them all their life. To have an experience working with an object is an important goal to be attained by every student.

Our vocational program is headed by our T & I instructors Mr. B. Mullins and F. Osborne. Mrs. W. McLain is the Home Ec. teacher and H. Hudson, Journalism instructor.

Pratical Experience

PERSONAL EXPERIENCE

Its value is not contained in itself; its significance is that of standpoint, outlook, method. It intervenes between the more casual, tentative, and round-about experiences of the past, and more controlled and orderly experiences of the future. It gives past experience in that net form which it renders it most available and most significant, most fecund for future experience. The abstractions, generalizations, and classifications which it introduces all have prospective meaning.

Office Staff

The office girl is an important person in the Picher High School. She is given many privileges; however, she has many responsibilities. All clerical and secretarial work is done by these few girls. Phone calls are promptly answered and messages are delivered in strictest of confidence. Their greatest responsibility is to represent our school when they are met by the many visiting patrons, and friends.

They are selected on the basis of initiative, scholastic ability and personality. Mr. Douthitt and Mr. Raunikar are the sponsors.

A TRIBUTE TO OUR PRINCIPAL

The principal is a prophet; he lays the foundations of tomorrow.

The principal is an artist; he works with the precious clay of unfolding personality.

The principal is a friend; his heart responds to the faith and devotion of his students.

The principal is a citizen; he is selected and licensed for the improvement of society.

The principal is an interpreter; out of his maturer and wider life he seeks to guide the young.

The principal is a builder; he works with the higher and finer values of civilization.

The principal is a culture-bearer; he leads the way toward worthier tastes, saner attitudes, more gracious manners, higher intelligence.

The principal is a planner; he sees the young lifes before him as a part of a great system which shall grow stronger in the light of truth.

The principal is a reformer; he seeks to remove the handicaps that weaken and destroy life.

The principal is a believer; he has abiding faith in the improvability of the race.

Mr. EDDIE RAUNIKAR

To our principal, Mr. Eddie Raunikar, we sincerely dedicate this 1958-59 Zinco. Mr. Raunikar has given to each of us his time, thoughts and efforts. He has worked hard for his beliefs and goals.

It was with Mr. Raunikar as our principal that Picher High School became a member of the North Central Association. It is through him that our high school will continue to make great strides into the future.

During the moment of realization, when the written word becomes alive and applicable, when the veil of the indistinct is lifted, and we can see clearly the distant hills, then do we justify them, thus do we reward them . . . our teachers.

Ray E. Harrell, Superintendent

The Picher Public Schools have made great progress under the 11 year administration of Mr. Ray E. Harrell, Superintendent. It has been Mr. Harrell's desire to have an outstanding school system. Through his leadership and initiative this desire has been realized. Some of the milestones of his administration are--a new Elementary School and cafeteria, band room, T & I Carpentry, and an athletic office and storage room. He was instrumental in obtaining the North Central Accreditation of the High Schools.

Mr. Harrell has accepted with merit his community and civic responsibilites. The leadership and inspiration of Mr. Harrell will always be a part of the Picher-Cardin Public Schools and for this we are grateful.

Superintendent & Board of Education

Faculty

To the Students of Picher High:

An educated citizenry is one of the ideals of the American democracy. It has been the functions of this school to give each boy and girl an education commensurate to his abilities.

To have been associated with Mr. Harrell, your supt., and your faculty, in presenting your educational opportunities has been a privilege for me.

You, the students, are to be complimented for the credit which you have brought to yourself, your school, your homes, and your community.

Principal.

The Picher Lions Club initiated the Junior Lion of the Month during this school year. The purpose of this program was to promote further interest in school activities by the member of the club.

Lions' Club President, Albert Brewer appointed a committee to select an outstanding senior boy who would attend all regular meetings for one month. The boy was to be known as the Junior--Lion of the Month. The Junior Lions function was to keep all Lions' members abreast with current school activities.

Because of the real contribution that these seniors made, the Lions Club Members were most happy with this program.

T & I OATH

I shall endeavor to train myself by diligent study and ardent practice to become an employee whose service will be recognized as honorable by my employer.

I shall through honesty and fair play, respect the rights of my employer, my teachers, and my fellow classmates.

I shall pledge myself to honor and respect my vocation in such a way as to bring good repute to myself; that my expectation of reward shall be based upon a solid foundation of service. I shall spare no effort in upholding the ideals of my training organization and the Trade and Industrial Club. I pledge this upon my honor.

The promotion of High School P.T.A.'s presents a challenge, and we have accepted that challenge. The High School P.T A. is as necessary as High Schools' are, and yet is is difficult to sustain the interest of parents when their children have made the transfer from the Elementary to the Secondary School level. Some parents feel their children no longer need them but we feel our interest in them at this time is more necessary than ever. Could we Challenge Parents to take more interest in this endeavor which in the end will promote the most important object of our P.T.A., which is to promote the welfare of children and youth in Home, School, Church, and Community.

Picher-Cardin Public Schools Cafeteria

After two months of operating the Elementary and High School Cafeteria as a combined unit, we are both happy and pleased to be able to report that it has been a very successful undertaking.

The increased participation on the part of the High School Students together with the decrease in cost of operation has enabled the School Hot Lunch Program, for the first time this year, to operate without using any of the allowable surplus which was carried over from last year.

This successful change-over has been made with no appreciable loss of time for our first and second grades and no lost class time for the other four grades. Minor problems have been solved. The courtesy and consideration displayed by the high school students who use the grade school cafeteria facilities, is commendable.

Mrs. Ida Mae Curlee, Mrs. Mildred Carey, Mrs. Gertrude Nyberg, Mrs. Maude Wolsey. Our very efficient cooks.

Mr. Larry Puryear

In keeping with the tradition of Picher High School, the Student Council was organized. James Graves was elected to be the Student Body President, a position which he has fulfilled with great leadership. Mr. Puryear, the sponsor, has given invaluable guidance toward the program which the student council undertook this year.

Through the weekly meetings, the Student Council organized and sponsored the Homecoming Activities. Too, they selected a boy and girl as the student of the month. At the end of this school year a "Student of the Year" was selected from the eligible candidates.

The Student Council undertook to promote a safety program for our school. The safety driving committee was elected which made proposals for improving the driving habits of our student body.

This year 150 students from 5 schools participated in the "Picher Speech Meet."

The student Council served as host for this state speech qualifying contest.

Films and intramural activities were also sponsored by the student council.

The Student Council wishes to express its appreciation for the fine cooperation which has been given it by the students and faculty.

Miss Carolyn Lane

1958 Girls' and Boys' State

The delegates from Picher for the 1958 Girls' State and Boys' State were Carolyn Lane and Ray Harrell, Jr. Carolyn held the offices of City Party Committee Member, City Commissioner No. 1, County Commissioner No. 2, and the State office of Judge of the Criminal Court of Appeals. Ray held the offices of Chaplain of the Senate, Boys' State Choir director and a member of the Bar.

A question many of you may ask is, "What is Girls' State and Boys' State?" I'd like to try to explain in a few words what it is and the purpose of it.

Girls' State and Boys' State are exactly what their names imply. They are miniature states; one which is run by the citizens of Girls' State and one by the citizens of Boys' State.

They are organizations sponsored and directed by the American Legion Auxiliary. Every summer delegates from various cities in each state attend an eight day Government and Good Citizenship Workshop. Girls' State is held at Oklahoma College for Women at Chickasha and Boys' State on the North Campus of Oklahoma University at Norman. The qualifications for a Girl or Boy Stater are: High moral character, honesty and courage, leadership, scholarship and cooperativeness. The delegates must also be juniors in high school.

The main purpose of these two miniature States is the opportunity to learn more about our City, County, and State Government and our individual responsibility as a Citizen.

You may be thinking that these Government and Good Citizenship Workshops are all work and no fun. It is work and fun combined in equal parts. To climax the week of work and fun a Girls' State--Boys' State Dance is held. Each year it is alternated and the 1958 Dance was held at Boys' State at Norman.

The grand finale of all is when two citizens from each state are selected to represent Oklahoma at Girls' Nation and Boys' Nation held in Washington D. C. in August of the same summer.

Ray Harrell helps Carolyn Lane out of the car after arriving home from Girls' State and Boys' State. A habit all boys should acquire.

The long trek is over and the reward, though fleeting, is sweet. Up through the years from childhood to maturity we have kept our goal unobscured, our purpose constant, our integrity unsullied. We face our future poised and unafraid.

Herein are the tender hours, most cherished of them all, when we were well aware of life's sweet promise. Homecoming, the T & I Sweetheart race, the Zinco Contest, the Band Contest, the Basketball Queen, and the All-School Queen race, — all these will bring a catch of breath whenever we recall them through the years; because their poignant memory belongs to us alone.

Miss Laurie Wimberly

Basketball Queen

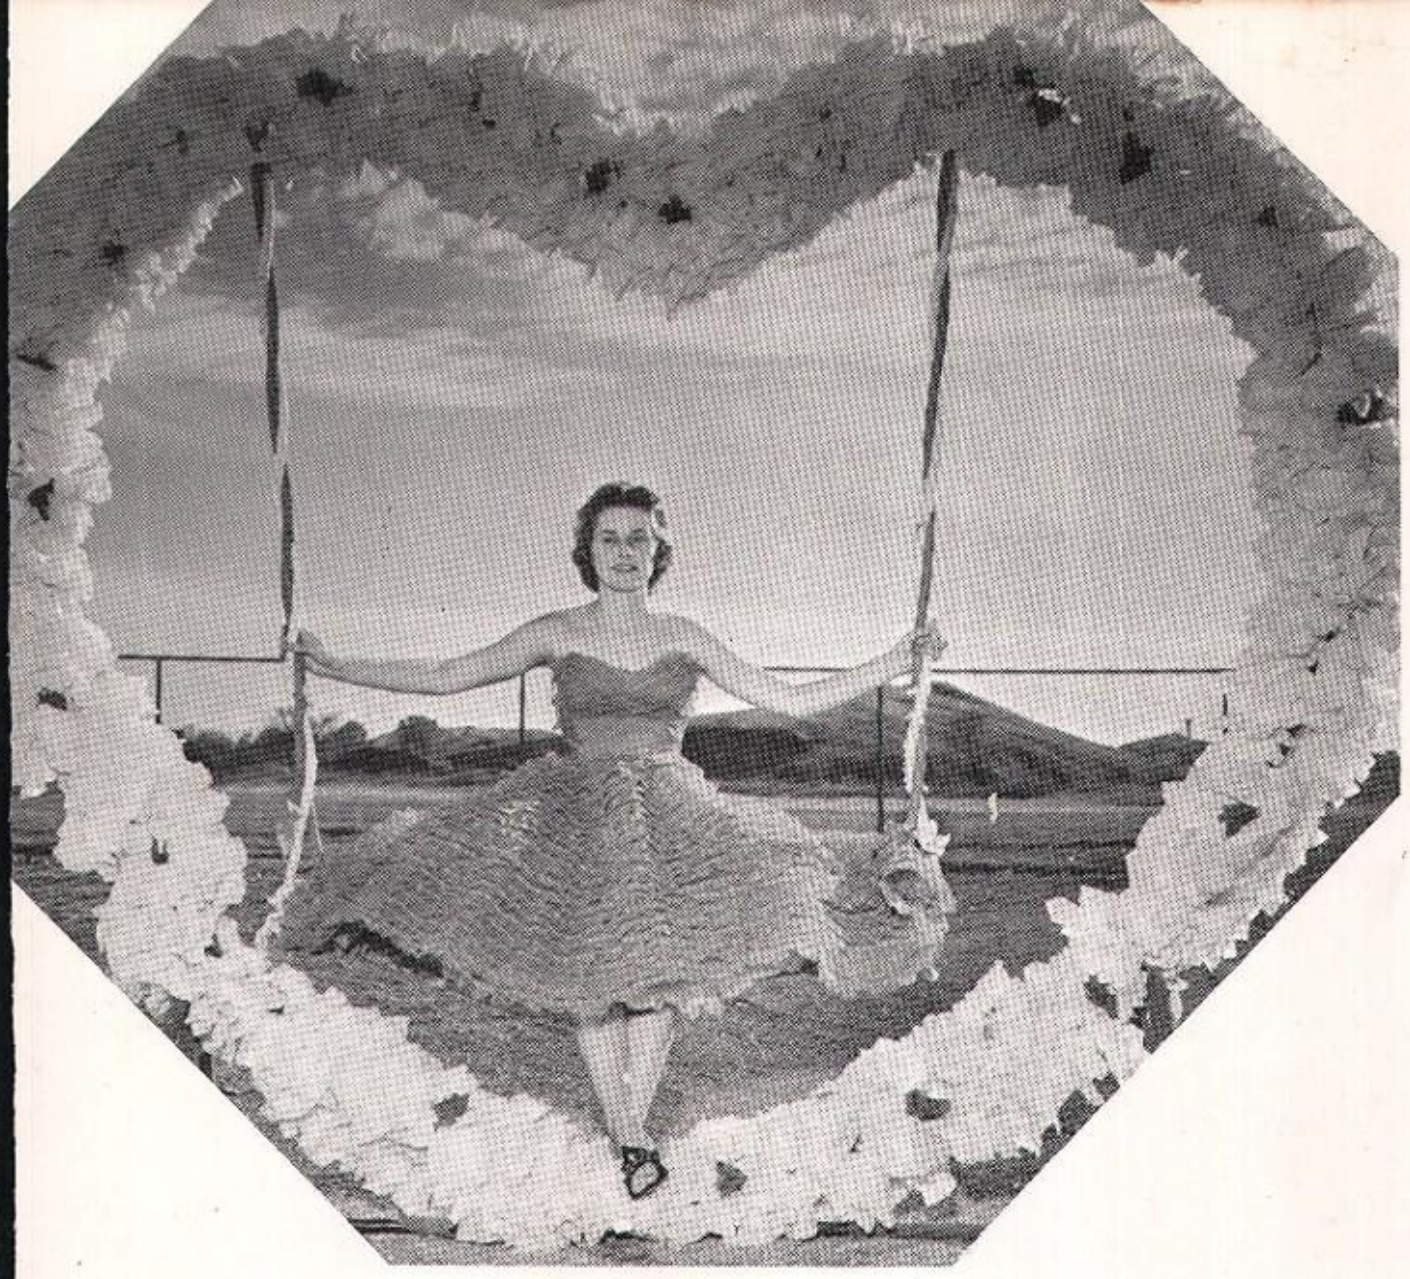
Miss Patsy Powell

This years basketball queen was chosen a little different than last years. The senior girls submitted their names to Mr. Raunikar and he in turn gave them to the Student Council. Five girls were chosen on scholastic achievement and personality, as well as beauty. They then drew one name from these five and the lucky one was Miss Patsy Powell.

Band King & Queen

Mr. Herbert Hare & Miss Pat Luton

In the history of P.H.S., this year marks the first time we have had a band king along with a band queen. This honor goes to Mr. Herbert Hare & Miss Pat Luton. A boy and girl was chosen from each class and the contest ran from November 10 to December 13. The couple with the most votes won.



Miss Linda Perry
T. & I. Sweetheart

Linda was selected as a candidate of the T & I Wood Shop and Delores Richardson was a candidate from the T & I Mechanic Department. Linda won the contest by raising the most money for the T & I Club.

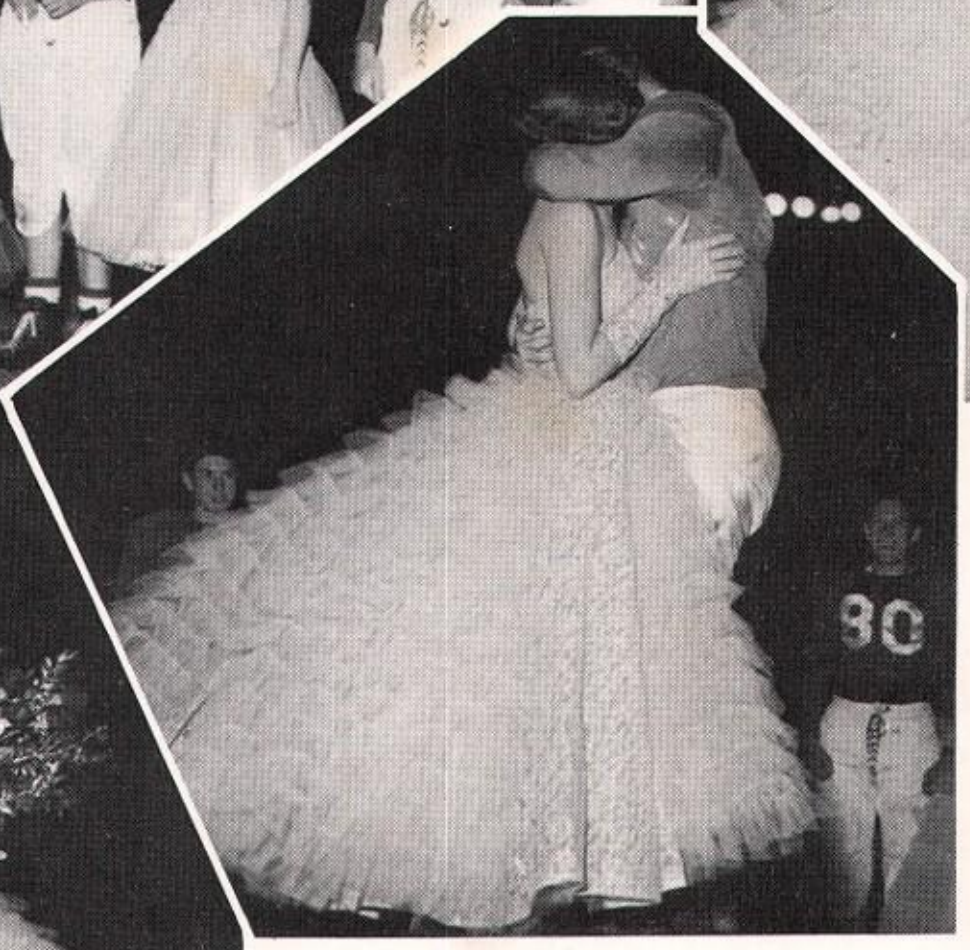
Football Princess

Dan Inman had the honor of escorting and crowning Princess Judy.

Runners-up and attendants to the queen were Linda Perry escorted by Joe Poor, Geraldine Kline escorted by Paul Cook, Phyllis Moore escorted by George Damrill, and Geraldine Tabor escorted by David Bigley.



The big mome has arrived. Que Carolyn smiles ha pily as her Kissin Captain, Don Johnso places the crown her head.

Football games with all their spirit . . . the Christmas parades . . . invitation to the Governor's inauguration . . . the spring concert festivals . . . All of these contributed to making this a very successful year for the band. Although we have worked hard, we have enjoyed every minute of it. These trips and awards have become everlasting memories in the minds of every band member.

As the year drew to a close, we were excited over the spring delivery of our very attractive new uniforms. We are looking forward to next year with much optimism. It is our aim not only to be known as one of the most colorful bands in the state but also one of the best.

Zinco Staff

We, the Zinco staff of "59," have strived to make this, the 38th edition of the Zinco, an invaluable treasure which will become even more invaluable in the years to follow. As the year 1959 fades into the past and the present school year becomes history, it is our sincere desire that this publication will vividly portray this school as it actually existed through the school year, 1958-59.

As the certificate and news article on this page point out we of the Zinco staff have a proud tradition to live up to. The 1958 Zinco staff re-

ceived recognition when the 37th publication was selected as the best annual in Oklahoma, and second internationally for schools with less than 1,000 enrollment. We are equally as proud of our 1959 publication and feel that it will be as great a success. We wish to thank everyone who made this edition possible, and sincerely hope you will receive as much enjoyment from this publication as we have in producing it.

ZINCO WINS NATIONAL AWARD

Mrs. Cleo Harrell and the staff of Picher High School yearbook, the Zinco, are receiving local, state, and international accolades.

Awards were announced Friday October 17, at the Columbia Yearbook Production Conference. Picher's yearbook for 1957-58 was recognized as the best in Oklahoma for junior-senior high schools with less then 1000 enrollment. The Zinco also received a second place International Award.

CRAIG NAMED SPEECH PRESIDENT

Speech Department officers were elected Monday, September 29. Officers named were: Eddie Craig, President; Carol Greaves, Vice-President; Karen Williams, Secretary; Karlene Heatherly, Treasurer.

Mr. Howard "Rock" Hudson is the speech department sponsor.

FOOTBALL RACE CLIMAX LANE AND PATTERSON NAMED

Queen candidates were picked, Monday September 8, by the football team. Two girls were chosen to run from each of our senior high classes.

The race ended Friday at 1:00. Carolyn Lane sold the most tickets and is our Football Queen. Judy Patterson was runner-up and is our Football Princess.

STUDENT BODY OFFICERS NAMED

Student Council officers were elected Thursday October 2, officers named were: James Graves, President; Gary Krokroskia, Vice President; Karen Williams, Secretary and Treasurer.

Mr. Larry Puryear is the sponsor.

STUDENT COUNCIL ELECTION INTEREST CREATED

Carolyn Lane and James Graves of the Senior class are running for Student Body President.

October 3, there will be an assembly held in the auditorium. Larry Heatherly, President of last year, will inaugerate the one with the most votes.

PICHER REPRESENTED IN COOKING CONTEST

Judy Patterson and co-worker Pat Luton represented Picher High School at the Empire District Electric Company contest October 21, 1958 at Wyandotte.

LUCKY SEVEN OFFICIALS NAMES HOUSER OUTSTANDING

Larry Houser, a senior, tackle for our school was voted outstanding lineman by the Lucky 7 officials in a meeting last Tuesday night. Members of the Lucky 7 All-Star team were also chosen.

PICHER GORILLAS CO-CHAMPS

This year the Lucky Seven Conference finds the Picher Gorillas and the Grove Ridge-runners as co-champions of football.

The Lucky Seven this year, also presented a very peculiar situation as far as the championship goes.

The Picher Gorillas won all their games except with Grove. There were nine victories and one loss for the Gorillas. Two of those victories were with non-conference teams.

The Grove Ridgerunners victory over the Picher Gorillas won them the right to go to the state finals.

CHRISTMAS ASSEMBLY PRESENTED BY MUSIC DEPARTMENT

Christmas carols rang through the halls of PHS on December 19, as our Christmas Assembly was in progress.

Mr. Hamil, instructor of the music department, was in charge of the Christmas program.

SAFETY COMMITTEE OPERATIONS UNDERWAY

Picher High School is trying out a new idea this year. That idea is the Safety Committee. The sponsors are Mr. Douthitt and Mr. Puryear.

This Safety Committee is being formed to improve the safety conditions in the school area, and to promote safety among the entire student body.

CRAIG AND BROWN TOP HITTER AT O.B.U.

January 8, 9, and 10, 1959 may prove to be history making dates at PHS.

On January 8 the Speech department journeyed to Shawnee, Oklahoma to compete at Oklahoma Baptist University.

Probably the most exciting thing to happen was Eddie Craig and Gary Brown winning the first place debate trophy. They debated such teams as: Poteau, Wewoka, Oklahoma City (St. Mary,) Wewoka ("C" team), Commanche ("A" team,) Stigler "A" and "B" teams.

POWELL CROWNED BASKETBALL QUEEN

Patsy Powell, our 1959 Basketball Queen, was crowned January 27 in the gymnasium when we played Commerce. Her attendants were: Grace Taylor, Mary Gillmore, Deloris Richardson, and Cindy Montgomery, all of the senior class. The escorts were: Bennie Deatherage, Doug Carnahan, Albert Gar-

September 1, 1958--May 19, 1959

ner, Jim Sharbutt, and Larry Olds. The crown bearer was Carol Craig. Queen Patsy was crowned by Bennie Deatherage, kissing captain.

The band played softly as the Queen and her attendants entered the circle of which the cheerleaders had formed in the center of the floor. As the Queen and her attendants left the floor, the cheerleaders led the pep club in a yell.

SENIORS TAKE TEST

The series of vocational aptitude tests were given to the seniors Thursday, December 18. This series of tests will provide information for use in employment counseling and placement.

These tests are given under the direction of the Oklahoma State Employment Service.

PHS WITNESS T & I INITIATION

Annual Trade and Industrial ceremonies were held Friday, January 23, at 1:00 o'clock p.m. in the high school auditorium.

This is the first time that the faculty members and the students have witnessed the Trade and Industrial club initiation.

A total of 29 boys were initiated into the Trade and Industrial club consisting of both the T & I Carpentry class and the T & I Auto Mechanics class.

HOME EC. DEPT. MADE HAPPY

Exciting faces of the Home Economics classes were seen when five new Singer Sewing machines were received by the Home Economics Department, December 13.

All of them are of blonde wood and can be made into a portable sewing machine, that can be moved anywhere, anytime.

When not in use the sewing machine can be converted into a hard top desk.

KARNES WINS BETTY CROCKER PIN

Results of the Betty Crocker Contest were received by Mrs. McLain, Home Ec. Instructor. The test was taken by senior girls enrolled in Home Ec.

Alene Karnes, winning over other senior girls won the Betty Crocker Pin from PHS. She will compete with winning girls over the state of Oklahoma.

PICHER RUNNER-UP AT N.E.O. TOURNAMENT

For the first time in 13 years, Picher reached the finals at the N.E.O. Tournament at Miami. Although we have never won the tournament we came as close as anyone can without winning.

Our final game on Saturday night with Commerce was no exception. In fact it was the most thrilling of all. We went into an overtime play with the score 32-32. Three minutes overtime was played and with two free throws made by Butch Mantle the Commerce Tigers came out ahead, 32-34.

SUMMER SUPPLEMENT

After careful consideration of financial conditions and the added work involved, the members of the Zinco staff are offering for the first time a summer supplement to be added to the Zinco.

This supplement will consist of 12 pages and will cost approximately $200 to publish. A small charge of either 35¢ or 50¢ will be made to help with the cost of the production. The supplement will contain all of the last of school activities which are impossible to put into the main Zinco.

Just like the Zinco the supplement will be delivered in 8 weeks after our final copy reaches the publisher.

Delivery of the Zinco will be near April 15. Delivery of the supplement will be the last of July.

You will be able to pick up your supplement at Mrs. Ray Harrell's home during the summer months or at the school when the fall term begins.

Seniors may leave their address plus a few cents postage and their supplement will be mailed to them.

PICHER BAND ATTENDS CAPITOL PARADE

Another first for the students of PHS. At 3:00 a.m. on the morning of January 12, 1959, members of the Picher High School Band boarded the bus for Oklahoma City.

This was the result of the acceptance of an invitation for the Picher Band to represent Ottawa County at the Inaugural Parade of our governor, J. Howard Edmondson. When first receiving the invitation Superintendent Ray Harrell did not think it would be possible for the band to go. He turned the invitation over to the Miami High School Band, and then to the Commerce High School Band. When they both reported that it would be impossible for them to go, Mr. Ray Harrell completed arrangements for the Picher Band to make the trip.

Seniors' in Athletics

Charles Pyle and Jim Sharbutt are two very fine athletes. They will not be permitted to participate in athletics their Senior year because of the State age limit which is nineteen.

Because of this fact, they will not have individual pictures next year and we, the Zinco staff, would like to extend to them this courtesy now.

NO LEFT TURNS . . . NO U-TURNS . . .
Alice Williams, Billie Sweeten, Glen Genson, Donnie King, Kenneth Hamil, Connie Crice are learning rules of safe driving which will contribute to making them better drivers in the future. This is the first time that the rules for safe driving has been taught in the Picher Elementary School.

Typical of the husky, robust American we like to feel our schools are producing, this boy's face mirrors a keen appreciation of the good fortunes of democratic living under a system of free enterprise. Here is perfect testimony for Picher.
